**IN THE DRAWINGS:**

Please replace the drawings as filed with the drawings found on the replacement sheets attached hereto.

**REMARKS**

The Office Action of October 9, 2007 has been carefully considered.

Objection has been raised to the drawings, and a set of formal drawings has now been submitted.

It was noted that in original Fig. 1, both the hinge and the partition wall were designated "14." In new Fig. 1, the partition wall is now designed "25" and the specification has been amended accordingly.

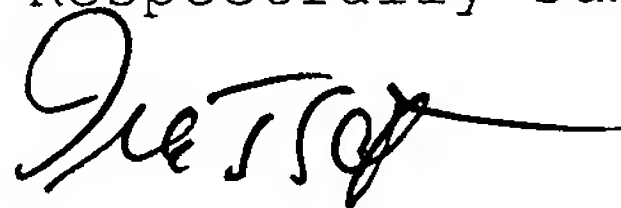

Objections have been raised to the Abstract and the specification, and the requested corrections have now been made.

Claims 1-23 have been rejected under 35 USC 112, 2<sup>nd</sup> paragraph on several grounds. The claims have now been entirely rewritten in accordance with US practice as new claims 24-46, substantially of the same scope as the original claims. Withdrawal of this rejection is requested.

The allowability of claims 1-23 over the art of record has been noted, and claims 24-46 are also deemed to be allowable.

In view of the foregoing amendments and remarks, Applicants submit that the present application is now in condition for allowance. An early allowance of the application with amended claims is earnestly solicited.

Respectfully submitted,
